New Gallery Exhibit

The Lumberyard Arts Center presents a solo exhibit by award-winning watercolorist Linda Everett. "Portraits, Places and Passageways" opens on Friday, August 17 from 7 to 9 pm. at the Arts Center located at 718 High Street in Baldwin City, KS.

Everett grew up in the small Kansas town of Quinter, but now makes her home in Baldwin City. She is a graduate of Fort Hays State University, where she received her BFA in Commercial Art. Linda has enjoyed artistic endeavors throughout life, including publication layout and illustration, free-lance work, interior design, acrylic and watercolor painting. In 2002, she was selected as one of the top winners in the Kansas Postcard Series XXV competition.

A sentimental quality is apparent in her portraits of people and animals, as well as in her paintings of homes, farms, landscapes, and passageways. Her goal is not to merely create a painting, but to capture the essence of a loved one, a family home, or other special place. Because of her faith in God, Linda believes her ability and passion to paint are
